Today**

TEL AVIV, May 24—(INS)—Arab aircraft bombed Tel Aviv again today, as reports were received that Arab nations will reject the cease-fire already accepted by the Government of Israel. Jewish fighters remained under orders to stop shooting at 8 p. m. Jerusalem time (Noon EDT), or earlier, if the Arabs also comply with the Security Council demand.

CAIRO, May 24—(INS)—Arab states engaged in "urgent" consultations today, amid indications they will refuse to comply with the Security Council's request for peace in the Holy Land.

Egyptian Foreign Minister Khashaba Pasha declared: "The Security Council's request is not the word of God."

Premier Nokrashy Pasha met with the Cabinet to draft a reply to the Security Council. After the session, he announced that the Egyptian answer will be sent to Lake Success before the Council's ultimatum expires at 1 p. m. EDT today.

He added, however: "The question of a cease-fire is not one-sided, who can guarantee that the Zionist terrorists will not renew the massacre of Arabs."

"The Security Council recognized our innocence by rejecting the American resolution considering the entry of Egyptian and Arab troops in Palestine as a threat to the peace."

"We have announced that our forces intervened to restore order and safeguard the security of the inhabitants."

From these and other indications, observers drew the conclusion that the Arabs are unlikely to halt the advance of their troops.

**INTERSECTIONS ARE
USUALLY DANGEROUS****Alertness and Skill of Drivers
Needed to Stop
Accidents****MUST OBEY RULES**

(This is the fourth of a series of 10 articles on street and highway safety, written by nationally recognized accident prevention specialists and published by this newspaper in the interests of greater traffic safety.)

By Thomas N. Boate
(Director, Public Safety Division, National Conservation Bureau)

One of the danger zones where a large number of accidents constantly occur is at highway intersections. Often unnoticed, or unheeded, the intersection of highways is the daily scene of death and destruction by motor vehicle collision.

Safety while traveling through or turning at an intersection depends upon the alertness and skill of the driver and the observance of a few simple rules.

At highway intersections, the vehicle on the right usually has the right of way if both reach the intersection at the same time and are driving at a lawful rate of speed, but a safe driver never demands the right of way if an accident appears imminent.

Safety specialists recommend the following precautions at intersections:

1. Always sacrifice the right of way for safety.
2. When entering or crossing a main highway, give the right of way to all vehicles on that highway, whether approaching from the left or right.
3. Always give the right of way to pedestrians.
4. Come to a full stop and yield the right of way whenever approaching a "stop" sign. Stop at a

**96 Receive Their First
Communion at St. Mark's**

Ninety-six children of St. Mark's R. C. parish received their first Holy Communion at nine o'clock mass yesterday morning. The celebrant of the mass was the Rev. Albert L. Glass, who was assisted by the Rev. E. Paul Baird, and the Rev. James J. McGurk, C. S. Sp.

In the afternoon at 2:30 all children of St. Mark's marched in the May procession, and the crowning of the Blessed Virgin Mary was held. The children were dressed in white, the girls wearing veils and wreaths. Miss Theresa Patterson was May Queen, and delivered the coronation address. She was assisted by Ellen Mulligan and Patricia Sanders.

The sermon was delivered by the Rev. Albert L. Glass, and closed with the benediction of the Blessed Sacrament. The pastor, the Rev. E. Paul Baird, gave a short address to the children.

DOYLESTOWN, May 24—Five properties in the Cross Keys section will be annexed to this borough if the petitioners sign up for borough water, council decided at its May meeting.

Council also authorized the retention of the Institute of Local and State Government for the purposes of getting expert advice on several very important zoning matters and for revamping the entire local zoning code which the zoning commission admits is badly needed to bring the code up to date.

Action was also taken by resolution to advertise the sale of \$100,000 in sewer bonds. The contract for the East End sewer improvement project will be awarded at a special meeting of Council on June 4.

Annexation of a section of Cross Keys will include the properties of Reuben Hahn, William Hissand, Warden Reichenbach, Edward C. Ennis and R. C. Tell. Motion to annex was made by Councilman George E. Willard and seconded by Councilman Frank D. Good.

Councilman Frank W. Ely, chairman of the zoning and building regulations committee, reported that his committee has inspected the recently-annexed V. F. W. tract, and that certain zoning is requested for commercial and residential.

**THREE NEW PUMPERS
TO BE IN PARADE****Fire Apparatus Has Been
Recently Housed In
The County****VALUED AT \$42,000.00**

Three new pumpers for fire companies in Bucks County which have been housed during the past few days, are expected to be among the fire equipment which will participate in the parade to be held here on June 12th by the Bucks County Firemen's Association.

Fire-fighting equipment valued at a total of more than \$35,000 was housed at the Perkaskie, Sellersville and Silverdale fire houses in impressive ceremonies recently.

The first of the three new pumpers housed was the Perkaskie apparatus which was pushed into the Perkaskie fire house by volunteer firemen from Sellersville and Silverdale. A floral spray lay on the engine hood. The vehicle is valued at more than \$12,000.

Moving on time the caravan, with fire sirens wailing, moved to Sellersville for the second portion of the epoch-making fire program. Here the Sellersville pumper that carries a present day valuation of more than \$18,000 was edged into position by firemen of Silverdale and Perkaskie. Sellersville's truck was flag bedecked and carried the floral spray too.

The final ceremony in the succession which was determined by lot, was held at the Silverdale fire hall. Firemen of the Perkaskie and Sellersville companies reciprocated while the Silverdale firemen stood by admiringly and watched their flower christened truck glide into the house. This piece of mobile equipment is valued in excess of \$12,000.

**THREE WOMEN GIVEN
HEARINGS BY JUSTICE****One Fined For Failure To
Yield The Right of Way
On Road****OTHER CASES HEARD**

NEW HOPE, May 24—Five motorists, three of them women, were given hearings before Justice of the Peace Donald E. DeLacey, here, and fined for violations the past week.

One of the heaviest fines was imposed upon Ruth L. Kanter, Passaic, N. J., who pleaded guilty to failure to yield right of way while driving along a highway. The woman, who was arrested by Trooper M. H. Aulenbach, of the Doylestown barracks of the State Police, paid a fine of \$10 and costs amounting to \$3.50.

Two other women drivers, given hearings before Justice DeLacey, pleaded guilty to parking unlawfully on or within an area less than 30 feet from the Mechanic street bridge, here.

Mabelle Yarrow, Centre Bridge, and Maude T. Wallin, Swarthmore, arrested by Special Officer Francis J. Kerwin, paid fines of \$3 each. The costs in the Centre Bridge woman's case amounted to \$3.50 and in the case of the Swarthmore driver they amounted to \$3.77.

Another driver given a hearing was Aubrey Raub, Havertown, Delaware county, who was arrested by Corporal H. S. Dando, of the Doylestown barracks of the State Police, for operating a car at a speed of 65 miles an hour on Route 202 in Solebury township.

Fleeting guilty, Raub was fined \$10 and \$3.50 costs.

Charges against Clifton C. Bennett, Trenton, were preferred by Special Officer Kerwin, who arrested him for parking on Mechanic street, where it is not permitted. Like the other drivers, Bennett entered a plea of guilty and was fined \$3 and \$3.50 costs.

CAR STRIKES POLE

Joseph Trotto, 329 Wood street, lost control of his car this morning at 3:25 a. m., and struck a pole in front of St. Mark's Convent on Radcliffe street. Trotto was driving west when the accident happened. His car was damaged and he was treated at the Harriman Hospital for an incised wound of the chin.

**Fine Dublin Man \$100
In Car Title Case**

DOYLESTOWN, May 24—Stacey Carefoot, of Dublin, was fined \$100 and the costs of prosecution by Justice of the Peace William Wrigley, Edison, for having illegal possession of automobile titles.

Trooper James R. Harris, of the Doylestown sub-station of the Pennsylvania State Police, who arrested the defendant, found titles which were not legal.

Justice of the Peace Wrigley said used car dealers have a practice of keeping the names blank instead of getting a dealer's title when they buy a car in and that several titles were found to be illegal on the dealers' premises. He was only fined on one charge but warned about future violations.

Thirty-five Scoutmasters and assistants completed basic training at a week-end training course held at Camp Ockanickon on Saturday and Sunday of last week, at which time the basic outdoor course was conducted. The course was in charge of Robert Meyers, Parkland, William C. Christ, Chalfont, and James William Harris, of Croydon, chairman of the organization and extension committee of the council. Certificates were presented to the men by James E. Harris, chairman of the Lower Bucks District. This course was the outdoor session for two large training courses being held in the council, bringing to the close the session which were held in the Upper Area and leading to the completion of the work by a group of Scouters who will complete the Indoor Session at Parkland on Thursday. Two Troop Committee Courses have also been in operation and certificates will be awarded to men representing troops of the council completing this phase of the work.

The Spring meeting of the Ajapeu Lodge, No. 33, of the Order of the Arrow, National Camp Honor organization, was held at Camp Ockanickon over the week-end of May 22nd and 23rd. Robert Meyers of Parkland is the chief of the Local Lodge and had charge of the program. Service projects in the interest of the summer camp will be carried out and a meeting of the Lodge will be held. Scouters who were in charge of Troops at Camp Ockanickon last year and who were not inducted into the Order in the Fall had an opportunity to receive their Ordeal Honor Ceremony at this meeting.

Father, Saturday****NOW IN NEW YORK**

Two young women attended Miss Helen B. Woods, when on Saturday afternoon at 3:30 o'clock she was wed to Mr. Alfred Iannucci, son of Mr. and Mrs. Peter Iannucci, 924 Pond street. The bride, daughter of Mr. and Mrs. Bernard Woods, 320 Jefferson avenue, was given in marriage by her father. The double ring ceremony was performed in St. Ann's R. C. rectory by the Rev. Bernard Harding.

Miss Gladys Liberator, Brook street, maid of honor, and Miss Margaret Woods, sister of the bride, bridesmaid, were attired in aqua and pink tones. Their gowns were aqua taffeta. A wide ruffle encircled the shoulders in an off-shoulder effect. A ribbon bow was used as trim on this ruffle, also on the skirt at each point where pick-up effect was used on encircling ruffles. Their small pink horsehair hats had streamers extending down their backs. Pink lace mitts were worn, and each attendant carried a colonial bouquet of pink roses outlined in aqua lace. Slippers were of gold tone.

The bridal gown of white satin, was patterned with fitted bodice, long sleeves, heart-shaped neckline, and full skirt was entrain. A tiara of rhinestones, French illusion veil and white kid slippers completed the bride's costume. Her colonial bouquet was composed of white roses and valley lilies.

Mr. Michael Iannucci served his brother as best man, with Mr. Harry Walter, Jefferson avenue, uncle of the bride, being the usher.

Choice of costume by Mrs. Woods for the ceremony was a brown print dress, brown straw hat, brown accessories, white gloves, and a white rose-bud corsage. Mrs. Iannucci, mother of the bride-groom.

DOYLESTOWN, May 24—A Bristol priest who died this month has left \$2,000 for 2,000 masses to be said for the repose of his soul. This is according to the will of the Rev. Joseph E. Murphy, rector of St. Mark's R. C. Church, Bristol, who died May 9th. The will was probated in the office of the Register of Wills at the end of the week.

The Rev. Fr. Murphy, who gave \$2,000 to the Chancery office of the Roman Catholic Archdiocese of Philadelphia, directed that 2,000 masses be said by priests in the foreign mission field who will benefit from the bequest.

A bequest of \$300 was made to the Seminary of St. Charles Borromeo for 12 life subscriptions.

Individual beneficiaries are mentioned in the will.

The Rev. E. Paul Baird and the Trademans of Bristol and Trust Company were named executors.

The \$3,000 personal estate of Katie H. Miller, Bristol township, will be inherited by a son, Walter W. Miller, Croydon. The testatrix, who executed her will January 8, died February 17, and left real estate on Wyoming avenue, Croydon.

Anna E. Bloomfield, Middletown township, who left a personal estate of \$500 and real estate valued at \$3,000, bequeathed \$1,000 to four daughters, Edith A. Maxwell, Bensie B. Kirschmayer, Gladys B. Yerkes and Alice B. Trimmer. Two sons, Herbert and J. Edward Bloomfield, were bequeathed \$3,000 each. Another son, H. Chester Bloomfield, was bequeathed \$3,000. The residue will be inherited by seven children. The will, a holographic one written on stationery, was executed August 31, 1946, in pen and ink, and the testatrix died Sept. 25, 1947.

Letters of administration in the estate of Louisa Hartman, Bensalem township, were granted to Emily L. Hartman, Langhorne, RD 3, amounting to an estate of \$3,000. Real estate consists of a house and lot in Oakford. Two daughters, Emily L. and Katherine Beckler, the latter of Trevose, are the heirs.

In the estate of Newberry A. Keller, Plumstead township, letters of administration were granted to Norman S. Keller, 234 East Summit st., Souderton, amounting to \$1,800. The heirs are the widow, Katie, Pipersville; three daughters, Elsie High, Norristown; Florence Yoder, Perkaskie, RD; Anna Alderfer, Perkaskie,

CAIRO, May 24—(INS)—Arab states engaged in "urgent" consultations today, amid indications they will refuse to comply with the Security Council's request for peace in the Holy Land.

Egyptian Foreign Minister Khashaba Pasha declared: "The Security Council's request is not the word of God."

Premier Nokrashy Pasha met with the Cabinet to draft a reply to the Security Council. After the session, he announced that the Egyptian answer will be sent to Lake Success before the Council's ultimatum expires at 1 p. m. EDT today.

He added, however: "The question of a cease-fire is not one-sided, who can guarantee that the Zionist terrorists will not renew the massacre of Arabs."

"The Security Council recognized our innocence by rejecting the American resolution considering the entry of Egyptian and Arab troops in Palestine as a threat to the peace."

"We have announced that our forces intervened to restore order and safeguard the security of the inhabitants."

From these and other indications, observers drew the conclusion that the Arabs are unlikely to halt the advance of their troops.

Mrs. James W. Cullen Is

Carroll, pastor of Harriman Methodist Church, was received into full membership in the conference. Yesterday afternoon, he was ordained at St. George's Church, Fourth street below Vine, Philadelphia.

Marlin R. McClell, pastor of Ross Street Methodist Church, Lancaster, was also ordained. He was guest preacher at the Bristol Methodist Church yesterday morning.

The Rev. Leon T. Moore, who has been superintendent of the south district since 1942, returned to a pastorate at this session of the conference, his term of six years having expired. He will be remembered as having been pastor of Bensalem Church some years ago.

The Rev. Albert M. Witwer, having reached the age of 70, was retired as an active pastor on Saturday. The Rev. Mr. Witwer was superintendent of the north district from 1931 to 1937 and again from Nov. 1941, to the 1947 conference session. In September, 1941, the Rev. Howard E. Hand died. He was serving the six year term ending in 1947, and the Rev. Mr. Witwer was appointed to serve the unexpired term of the Rev. Mr. Hand.

Morris W. Carter, of Bristol, was elected vice-president of "The Young Adults of The Philadelphia Conference." This election took place on Saturday evening following the conference banquet held in

Fire Apparatus Has Been Recently Housed In The County

VALUED AT \$42,000.00

Three new pumps for fire companies in Bucks County which have been housed during the past few days, are expected to be among the fire equipment which will participate in the parade to be held here on June 12th by the Bucks County Firemen's Association.

Fire-fighting equipment valued at a total of more than \$35,000 was housed at the Perkasie, Sellersville and Silverdale fire houses in impressive ceremonies recently.

The first of the three new pumps housed was the Perkasie apparatus which was pushed into the fire house by volunteer firemen from Sellersville and Silverdale. A floral spray lay on the engine hood. The vehicle is valued at more than \$12,000.

Moving on time the caravan, with fire sirens wailing, moved to Sellersville for the second portion of the epoch-making fire program. Here the Sellersville pump that carries a present day valuation of more than \$18,000 was edged into position by firemen of Silverdale and Perkasie. Sellersville's truck was flag bedecked and carried the floral spray too.

The final ceremony in the succession which was determined by lot, was held at the Silverdale fire hall. Firemen of the Perkasie and Sellersville companies reciprocated while the Silverdale firemen stood by admiringly and watched their flower christened truck glide into the house. This piece of mobile equipment is valued in excess of \$12,000.

Fine Dublin Man \$100
In Car Title Case

DOYLESTOWN, May 24—Stacey Carefoot, of Dublin, was fined \$100 and the costs of prosecution by Justice of the Peace William Wrigley, Edison, for having illegal possession of automobile titles.

Trooper James R. Harris, of the Doylestown sub-station of the Pennsylvania State Police, who arrested the defendant, found titles which were not legal.

Justice of the Peace Wrigley said used car dealers have a practice of keeping the names blank instead of getting a dealer's title when they buy a car in and that several titles were found to be illegal on the dealers' premises. He was only fined on one charge but warned about future violations.

35 Scoutmasters
End Basic Training

Spring Meeting of Ajapeu Lodge Was Held This Week-End

OTHER SCOUT NEWS

Thirty-five Scoutmasters and assistants completed basic training at a week-end training course held at Camp Ockanickon on Saturday and Sunday of last week, at which time the basic outdoor course was conducted. The course was in charge of Robert Meyers, Parkland, William C. Christ, Chalfont, and James William Harris, of Croydon, chairman of the organization and extension committee of the council. Certificates were presented to the men by James E. Harris, Chairman of the Lower Bucks District. This course was the outdoor session for two large training courses being held in the council, bringing to the close the session which were held in the Upper Area and leading to the completion of the work by a group of Scouters who will complete the Indoor Session at Parkland on Thursday. Two Troop Committee Courses have also been in operation and certificates will be awarded to men representing troops of the council completing this phase of the work.

The Spring meeting of the Ajapeu Lodge, No. 33, of the Order of the Arrow, National Camp Honor organization, was held at Camp Ockanickon over the week-end of May 22nd and 23rd. Robert Meyers of Parkland is the chief of the Local Lodge and had charge of the program. Service projects in the interest of the summer camp will be carried out and a meeting of the Lodge will be held. Scouters who were in charge of Troops at Camp Ockanickon last year and who were not inducted into the Order in the Fall had an opportunity to receive their Ordeal Honor Ceremony at this meeting.

Doans' Infant Daughter Dies; Burial To Be Today

Sherry Louise Doan, two-day-old daughter of William Edward and Thelma A. Doan (nee Kellott), Bath and Ford roads, died on Saturday in Harriman Hospital.

Relatives and friends are invited to the funeral home, Bellevue and Fairview avenues, Hulmeville, this afternoon at two o'clock. Service at Bristol Cemetery will be conducted by the Rev. I. L. Clark, pastor of First Baptist Church.

Choice of costume by Mrs. Woods for the ceremony was a brown print dress, brown straw hat, brown accessories, white gloves, and a white rose-bud corsage. Mrs. Lannucci, mother of the bridegroom.

DOYLESTOWN PLANS TO
ANNEX CROSS KEYS

Petitioners, However, Will Have To Sign-Up For Water Service

TO REVAMP ZONING

DOYLESTOWN, May 24—Five properties in the Cross Keys section will be annexed to this borough if the petitioners sign up for borough water, council decided at its May meeting.

Council also authorized the retention of the Institute of Local and State Government for the purposes of getting expert advice on several very important zoning matters and for revamping the entire local zoning code which the zoning commission admits is badly needed to bring the code up to date.

Action was also taken by resolution to advertise the sale of \$100,000 in sewer bonds. The contract for the East End sewer improvement project will be awarded at a special meeting of Council on June 4.

Annexation of a section of Cross Keys will include the properties of Reuben Hahn, William Hestand, Warden Reichenbach, Edward C. Ennis and R. C. Tell. Motion to annex was made by Councilman George E. Willard and seconded by Councilman Frank D. Good.

Councilman Frank W. Ely, chairman of the zoning and building regulations committee, reported that his committee has inspected the recently-annexed V. F. W. tract, and that certain zoning is requested for commercial and residential.

BEAUTIFUL MORNING

"Oh, What a Beautiful Morning" it was on March 31, 1943, for the musical show "Oklahoma!" On that remote day in New York the Theater Guild operetta was about to give the first performance of the bright and tuneful frolic that has become an American classic of the stage.

The 18 backers who put up the original \$80,000 could not know, that morning, just how beautiful the heyday would be. It waxed brighter and gayer as the years rolled along—1943, 1944, 1945, 1946, 1947, on into 1948.

On May 29, after more than five years and 2,202 performances, the footlights of the St. James Theater will be turned out for "Oklahoma!" The gross receipts there have been more than \$7,000,000. The happy backers have received a return of 2,500 per cent on their investment so far.

But it's not only the "angels" who have been made happy by that lively show. Millions of persons in audiences in New York have been charmed by the sparkle of the settings, the players, the story and the songs. What songs they are!

There is the stirring title-song "Oklahoma!" There are others: "The Surrey With the Fringe on Top," and "Kansas City," and "I Can't Say No," There is the lovely romantic ballad, "People Will Say We're in Love," and that littersweet song with a saucy lilt—"Many a New Day." And there are others, of course—all good.

During the war a gay and competent company toured the Pacific areas by plane. At Clark Field in the Philippines the audience started bringing its seats at 6 p. m. for the outdoor performance at 8. It rained during the show, the audience of thousands retreated; the rain stopped, the audience came back, the show went on again.

The rains have come and gone, but in the English-speaking world the road companies of "Oklahoma!" show no sign of being rained out. Orchestras strike up and the lights go on. What a show!

ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol Mar. 31, 1898. The Gazette, a weekly newspaper published in Bristol, was discontinued following its merger with the Courier.

HULTMEVILLE — In Fricke's cordage factory a fire was started by some foreign substance getting into the picker, causing conflagration which for a time threatened the destruction of the mill. The chemical engine, William Penn, which has been newly painted and decorated by an artist in Philadelphia, was run out of the engine house but as the street was very muddy it was thought best to preserve the glories and let the pump in the mill "do the rest".

The Edenites have decided to make application to court to be incorporated as a borough. The assessed valuation of property inside the lines proposed is \$123,000.

Miss Edith Wenlock of Eden, intends becoming a member of the Philadelphia branch of the Salvation Army. She has two sisters who are officers in the Army.

MORRISVILLE — Mr. Schenck, a representative from the Wheelmen's Road Association, of Bristol, was here one night last week interesting local wheelmen in the building of a bicycle path from Tullytown to Morrisville.

TULLYTOWN — The rumors that the structure now in the process of erection on the property of Mr. Martin Urick near the borough is to be a private chapel are unfounded. It has been ascertained on good authority that the edifice is to be a hen house.

Capt. Charles Lowden, who runs the Dutch Neck fishery above Bristol on the New Jersey shore, will also this year operate the Badger fishery just below Bristol.

St. Paul's Mission has a sewing school numbering 75 members.

Work on Rumpf & Sons new mill at Eden has commenced. The contract calls for its completion by the 10th of July.

Since the published notice in last week's Gazette advising the citizens of Bristol to pay no toll upon the pike, because of its untollable condition, evidence unsolicited has been given of persons who have refused and do not pay toll at any of the gates between Trenton and Torresdale.

With the people refusing to pay toll one or two things would more than likely happen. The owners of the pike would be compelled to put it in good condition, or make it a

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Mr. Churchill's Mistake

Washington, May 24. HALF American by birth this country has no firmer friend than Mr. Winston Churchill. It would be absurd, indeed, to attribute to an American any misleading and inaccurate words about the United States contained in his remarkably interesting and historically valuable memoirs now being published here and abroad.

NEVERTHELESS, if some of the statements concerning our attitude toward the British debt after World War I had been made by any other foreign writer, that charge certainly would be made. For dealing with this subject, Mr. Churchill not only does this country a real injustice but in failing fully to state the facts he misrepresents us before the world. In one of his first installments, while he does mention that the interest rate was reduced, he totally ignores what that reduction meant, quotes the stupid Coolidge phrase, "They hired the money, didn't they?" and then asserts that "the United States continued to insist upon the payment of their full obligations."

IN brief, Mr. Churchill conveys the impression that although the terms of the debt were harsh and almost impossible of fulfillment, this country insisted upon full payment, sternly exacting its pound of flesh. This distinctly is not so and it is too bad that Mr. Churchill did not submit this part of his manuscript to someone who had a better memory and a better understanding of this debt situation. The truth is that at the 1922 British-American debt conference in Washington the terms of the debt were so modified that a considerable portion of it was, in effect, canceled and that settlement was made upon an agreed capacity to pay without embarrassment to the debtors.

ORIGINALLY about five billion and with an interest rate at 4½ per cent the British debt was settled in 1922 at \$1,600,000,000. Under the original contract it was payable by an issue of British bonds to the United States, extending over a short term of years with 4½ per cent interest—that being the average rate the American Government was paying on American bonds issued to our own citizens to raise the money loaned the British. The 1922 settlement consisted of two parts—first, the annual installments were spread over 62 years; second, the interest rate was reduced to 3 per cent for the first ten years and 3½ per cent thereafter.

IF the compound discount table at 4½ per cent is applied to an installment payable 62 years hence, it will amount to only about 30 per cent of the present value.

Worked out on this basis, the installments and interest amounted to about 60 per cent of the original \$4,600,000,000. This represents an approximate 40 per cent sacrifice by the American Government over what it was paying on our own bonds to furnish the British the money. The installments, as worked out on this basis in 1922, were only paid by the British up to 1931 when the moratorium was declared. Their actual payments in that period were roughly \$270,000,000 on principal and \$1,450,000,000 in interest, against an American Government outlay of \$2,400,000,000 of interest to its own bondholders.

AS a matter of fact, out of the original \$4,600,000,000 over \$2,000,000,000 was postwar advances for rehabilitation and reconstruction purposes to Britain. At the time President Hoover proposed that we cancel the war portion of the debt and settle the postwar amount by issue of British bonds to our citizens, guaranteed by the United States, the 1922 settlement above outlined amounted to about the same thing. In effect, it was a cancellation of approximately 40 per cent of the whole debt.

AFTER the moratorium expired in December, 1932, though there was a sentiment for re-establishment of the Debt Commission for further revision of the British debt nothing was done and the whole business was abandoned. In view of these indisputable facts, Mr. Churchill's quotation of Mr. Coolidge and his own personal assertion that we "continued to insist upon full payment" appear wholly unfounded and unfair.

UNQUESTIONABLY, his memoirs are a great contribution to history; but his discourse on the British debt is not a part of that contribution. Reading that part of his memoirs one of Mr. Churchill's closest friends in this country had this to say: "Winston Churchill is a great orator, writer, statesman and soldier. He is also a painter, a politician and in some ways, a genius. His courage and character are superb. The whole civilized world is deeply indebted to him and he is a very great man. But he knows very little concerning money and practically nothing about economics and never has."

DELINQUENCY MURDERS

HONOLULU — (INS) — Police Chief William Hoopai has called upon the people of Hawaii to examine their social system and to weigh carefully their "moral assets" and their "shortcomings" in a drive to reduce juvenile delinquency. The police chief pointed out that two murders by youths have just shocked the community. Hoopai, in a public statement, said "These youths have a background of juvenile offenses which differ only slightly from hundreds of other delinquents, who, but for the accident of time, place and circumstance, might have become the killers instead."

Nat'l Farm School Herd Completes Test Year

BRATTLEBORO, Vt., May 24.—The 34-cow herd of registered Holstein-Friesians owned by the National Farm School & Junior College, Doylestown, Pa., recently completed a year of production testing in the official Herd Improvement Registry program of the Holstein-Friesian Association for America.

An average of 365 pounds of butterfat and 10,308 pounds of milk has been officially recorded. Milking was done two times daily.

Testing was supervised by Pennsylvania State College in cooperation with the Holstein-Friesian Association of America. The association is now looking forward to its annual convention in Kansas City, Mo., June 1-4.

Deafened Now Hear Whispers 5 Feet Away

Tests by the American Medical Association's Council on Physical Medicine show that science has now enabled deafened people to hear faint sounds, to easily understand whispers from 5 feet away, aided by a tiny hearing device so light you hardly know you are wearing it. With it thousands now enjoy music, sermons and friendly companionship. Finger tip controls let you adjust it instantly to changing sound conditions. No separate battery pack, wires or harness bulge to weigh you down. BEAUTIFUL MORNING

"Oh, What a Beautiful Morning!" it was on March 31, 1943, for the musical show "Oklahoma!" On that remote day in New York the Theater Guild operetta was about to give the first performance of the bright and tuneful frolic that has become an American classic of the stage.

The 18 backers who put up the original \$80,000 could not know, that morning, just how beautiful the heyday would be. It waxed brighter and gayer as the years rolled along—1943, 1944, 1945, 1946, 1947, on into 1948.

On May 29, after more than five years and 2,202 performances, the footlights of the St. James Theater will be turned out for "Oklahoma!" The gross receipts there have been more than \$7,000,000. The happy backers have received a return of 2,500 per cent on their investment so far.

But it's not only the "angels" who have been made happy by that lively show. Millions of persons in audiences in New York have been charmed by the sparkle of the settings, the players, the story and the songs. What songs they are!

There is the stirring title-song "Oklahoma!" There are others: "The Surrey With the Fringe on Top," and "Kansas City," and "I Can't Say No." There is the lovely romantic ballad, "People Will Say We're in Love," and that bittersweet song with a saucy lilt—"Many a New Day." And there are others, of course—all good.

During the war a gay and competent company toured the Pacific areas by plane. At Clark Field in the Philippines the audience started bringing its seats at 6 p. m. for the outdoor performance at 8. It rained during the show, the audience of thousands retreated; the rain stopped, the audience came back, the show went on again.

The rains have come and gone, but in the English-speaking world the road companies of "Oklahoma!" show no sign of being rained out. Orchestras strike up and the lights go on. What a show!

ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol Mar. 31, 1898. The Gazette, a weekly newspaper published in Bristol, was discontinued following its merger with the Courier.

HUMESVILLE — In Fricke's cordage factory a fire was started by some foreign substance getting into the picker, causing conflagration which for a time threatened the destruction of the mill. The chemical engine, William Penn, which has been newly painted and decorated by an artist in Philadelphia, was run out of the engine house but as the street was very muddy it was thought best to preserve the glories and let the pump in the mill "do the rest."

The Ednites have decided to make application to court to be incorporated as a borough. The assessed valuation of property inside the lines proposed is \$123,000.

Miss Edith Wenlock, of Eden, intends becoming a member of the Philadelphia branch of the Salvation Army. She has two sisters who are officers in the Army.

MORRISVILLE — Mr. Schenck, a representative from the Wheelmen's Road Association, of Bristol, was here one night last week interesting local wheelmen in the building of a bicycle path from Tullytown to Morrisville.

TULLYTOWN — The rumors that the structure now in the process of erection on the property of Mr. Martin Ulrick near the borough is to be a private chapel are unfounded. It has been ascertained on good authority that the edifice is to be a hen house.

Capt. Charles Lowden, who runs the Dutch Neck fishery above Bristol on the New Jersey shore, will also this year operate the Badger fishery just below Bristol.

St. Paul's Mission has a sewing school numbering 75 members.

Work on Rumpf & Sons new mill at Eden has commenced. The contract calls for its completion by the 10th of July.

Since the published notice in last week's Gazette advising the citizens of Bristol to pay no toll upon the pike, because of its untollable condition, evidence unsolicited has been given of persons who have refused and do not pay toll at any of the gates between Trenton and Torresdale.

With the people refusing to pay toll one or two things would more than likely happen. The owners of the pike would be compelled to put it in good condition, or make it a

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Mr. Churchill's Mistake

Washington, May 24

HALF American by birth, this country has no firmer friend than Mr. Winston Churchill. It would be absurd, indeed, to attribute to anti-Americanism any misleading and inaccurate words about the United States contained in his remarkably interesting and historically valuable memoirs now being published here and abroad.

NEVERTHELESS, if some of the statements concerning our attitude toward the British debt after World War I, had been made by any other foreign writer, that charge certainly would be made. For, dealing with this subject, Mr. Churchill not only does this country a real injustice but in failing fully to state the facts he misrepresents us before the world. In one of his first installments, while he does mention that the interest rate was reduced, he totally ignores what that reduction meant, quotes the stupid Coolidge phrase, "They hired the money, didn't they?" and then asserts that "the United States continued to insist upon the payment of their full allotments."

IN brief, Mr. Churchill conveys the impression that, although the terms of the debt were harsh and almost impossible of fulfillment, this country insisted upon full payment, sternly exacting its pound of flesh.

This distinctly is not so and it is too bad that Mr. Churchill did not submit this part of his manuscript to someone who had a better memory and a better understanding of this debt situation. The truth is that at the 1922 British-American debt conference in Washington the terms of the debt were so modified that a considerable portion of it was, in effect, canceled and that settlement was made upon an agreed capacity to pay without embarrassment to the debtors.

ORIGINALLY about five billion and with an interest rate at 4 1/2 per cent, the British debt was settled in 1922 at \$1,650,000,000. Under the original contract it was payable by an issue of British bonds to the United States, extending over a short term of years with 4 1/2 per cent interest—that being the average rate the American Government was paying on American bonds issued to our own citizens to raise the money loaned the British. The 1922 settlement consisted of two parts—first, the annual installments were spread over 62 years; second, the interest rate was reduced to 3 per cent for the first ten years and 3 1/2 per cent thereafter.

IF the compound discount table at 4 1/2 per cent is applied to an installment payable 62 years hence, it will amount to only about 30 per cent of the present value.

Worked out on this basis, the installments and interest amounted to about 60 per cent of the original \$4,600,000,000. This represents an approximate 40 per cent sacrifice by the American Government over what it was paying on our own bonds to furnish the British the money. The installments, as worked out on this basis in 1922, were only paid by the British up to 1931, when the moratorium was declared. Their actual payments in that period were roughly \$270,000,000 on principal and \$1,450,800,000 on interest, against an American Government outlay of \$2,400,000,000 of interest to its own bondholders.

AS a matter of fact, out of the original \$4,600,000,000 over \$2,000,000,000 was putwar advances for rehabilitation and reconstruction purposes to Britain. At the time President Hoover proposed that we cancel the war portion of the debt and settle the postwar amount by issue of British bonds to the United States, the 1922 settlement above outlined amounted to about the same thing. In effect, it was a cancellation of approximately 40 per cent of the whole debt.

AFTER the moratorium expired in December, 1932, though there was a sentiment for re-establishment of the Debt Commission for further revision of the British debt, nothing was done and the whole business was abandoned. In view of these indisputable facts, Mr. Churchill's quotation of Mr. Coolidge and his own personal assertion that we "continued to insist upon full payment," appear wholly unfounded and unfair.

UNQUESTIONABLY, his memoirs are a great contribution to history; but his discourse on the British debt is not a part of that contribution. Reading that part of his memoirs one of Mr. Churchill's closest friends in this country had this to say: "Winston Churchill is a great orator, writer, statesman and soldier. He is also a painter, a politician and in some ways, a genius. His courage and character are superb. The whole civilized world is deeply indebted to him and he is a very great man. But he knows very little concerning money and practically nothing about economics—and never has."

DELINQUENCY MURDERS

HONOLULU — (INS) — Police Chief William Hoopai has called upon the people of Hawaii to examine their social system and to weigh carefully their "moral assets" and their "shortcomings" in a drive to reduce juvenile delinquency. The police chief pointed out that two murders by youths have just shocked the community. Hoopai, in a public statement, said "These youths have a background of juvenile offenses which differ only slightly from hundreds of other delinquents, who, but for the accident of time, place and circumstance, might have become the killers instead."

Nat'l Farm School Herd Completes Test Year

BRATTLEBORO, Vt., May 24—

The 34-cow herd of registered Holstein-Friesians owned by the National Farm School & Junior College, Doylestown, Pa., recently completed a year of production testing in the official Herd Improvement Registry program of the Holstein-Friesian Association for America.

An average of 365 pounds of butterfat and 10,308 pounds of milk has been officially recorded. Milking was done two times daily.

Testing was supervised by Pennsylvania State College in cooperation with the Holstein-Friesian Association of America. The association is now looking forward to its annual convention in Kansas City, Mo., June 1-4.

LANGHORNE GOES DOWN TO DEFEAT BEFORE ST. ANN'S

The Langhorne Legion team caught St. Ann's A. A. on the rebound yesterday afternoon and went down to a 10-5 defeat at the hands of the "Saints" in a Suburban League contest on Memorial Park field. As the result of the win, St. Ann's leaped back into second place in the circuit standing with Langhorne dropping into third position.

St. Ann's had 15 hits off the two Langhorne hurlers, Dale Miller and Merle Schoenfeld while Langhorne made 11 safe hits off the St. Ann's moundman, "Kenny" Clark. Clark struck out nine and walked seven batters. Miller gave up eight passes.

Leading the St. Ann's attack at the plate were "Rabbit" Palumbo, Bert Barbetta, and "Sugar" Salustio, who had three hits each. One of Palumbo's hits was a home run in the seventh inning. Palumbo also pitched a fine fielding game.

"Inky" Schneider had a triple and single for Langhorne while Fleming and "Walt" Rothenbach had two hits each.

the driver should observe the following:

1. Give hand signals or use mechanical signal device. (In some states both are required.)
2. Slow down at a safe distance from where a turn is to be made, give appropriate signals and ease over into the proper lane.
3. Look both ways at an intersecting highway before entering into it.
4. When making a right turn, stay as close to the right as possible until turn is completed. When making a left turn, get into position on, or as near as practicable to, the center of the highway so that motorists behind will not pass you on the left.
5. Yield the right of way to all motorists coming from the opposite direction whom the turn might block or hinder.

These rules of the road are necessary to insure safe, comfortable and efficient transportation. Some of them may, at times, seem over-stressed or unnecessary, but experience has proved that motorists who observe them, who respect the law, and who have a genuine sense of responsibility, have far greater chances to avoid serious accidents. The privilege of driving an automobile carries with it the obligation to observe safe driving practices, to show courtesy to other users of the highways and to cooperate with law enforcement authorities at all times.

BRUNNEHILDE—A CAT

SPRINGFIELD, Ill.—(INS)—The Lincoln Library in Springfield has a

boarder. A cat named "Brunnehilde," makes herself right at home among the book-lined shelves, desks, and reading tables. Librarians have provided little boxes into which patrons drop their small change for Brunnehilde's board and keep. The cat's name was taken from Wagner's opera, "The Valkyrie," the story of the "awful but beautiful" maid of Odin.

LANGHORNE GOES DOWN TO DEFEAT BEFORE ST. ANN'S

The Langhorne Legion team caught St. Ann's A. A. on the rebound yesterday afternoon and went down to a 10-5 defeat at the hands of the "Saints" in a Suburban League contest on Memorial Park field. As the result of the win, St. Ann's leaped back into second place in the circuit standing with Langhorne dropping into third position.

St. Ann's had 15 hits off the two Langhorne hurlers, Dale Miller and Merle Schoenfeld while Langhorne made 11 safe hits off the St. Ann's rebounder, "Kenny" Clark. Clark struck out nine and walked seven batters. Miller gave up eight passes.

Leading the St. Ann's attack at the plate were "Rabbit" Palumbo, "Bert" Barbetta, and "Sugar" Salustio, who had three hits each. One of Palumbo's hits was a home run in the seventh inning. Palumbo also led a fine fielding game.

"Inky" Schneider had a triple and single for Langhorne while Fleming and "Walt" Rothenbach had two hits each.

BRISTOL A. C. WINS 2 GAMES

The Bristol A. C., a newly-formed independent baseball team in this area opened the 1948 season on Saturday afternoon with a victory over the Langhorne Legion team. The final score read 14 to 5 in their favor. On Sunday afternoon the team followed up Saturday's victory with a 12 to 9 triumph over St. Charles on the Echo Beach field, Cornwells Heights.

6. Give the right of way to funeral processions.

7. Yielding the right of way to bicycle riders is a safe and considerate practice.

the driver should observe the following:

1. Give hand signals or use mechanical signal device. (In some states both are required.)
2. Slow down at a safe distance from where a turn is to be made, give appropriate signals and ease over into the proper lane.
3. Look both ways at an intersecting highway before entering into it.
4. When making a right turn, stay as close to the right as possible until turn is completed. When making a left turn, get into position on, or as near as practicable to, the center of the highway so that motorists behind will not pass you on the left.
5. Yield the right of way to all motorists coming from the opposite direction whom the turn might block or hinder.

These rules of the road are necessary to insure safe, comfortable and efficient transportation. Some of them may, at times, seem over-stressed or unnecessary, but experience has proved that motorists who observe them, who respect the law, and who have a genuine sense of responsibility, have far greater chances to avoid serious accidents. The privilege of driving an automobile carries with it the obligation to observe safe driving practices, to show courtesy to other users of the highways and to cooperate with law enforcement authorities at all times.

JUST BACK FROM ALASKA

"THE ANDERSON AMBASSADORS"
REV. JAMES AND GORDON ANDERSON

Just back from their second 15,000 mile missionary trip through Alaska during the past summer months, "The Anderson Ambassadors" present their new thrilling natural color films of "America's Scenic and Wild—Last Frontier." Tuesday, May 25th at 7:45 p. m., in the Calvary Baptist Church. These new films, filled with colorful scenic splendor and featuring outstanding experiences of the visiting lecturer and missionary, will include: Touring the Old Oregon Trail across the Rocky Mountains to the Northwest Coast; sailing along America's Northwest Coast into Alaska's deep blue fjords; flying into Alaska's rugged interior, a visit to remote Indian villages amidst towering totem pole forests; trekking through the fertile Matanuska Valley and over the snowcapped Alaska range, climbing the Great Worthington Glacier; blazing trails to film Alaska's wildlife and big game—bears in action catching king salmon in waterfalls; and spotting the wild moose.

The public is urged to attend this inspiring and educational missionary lecture.

Inside Your
Congress

A Message To The Nation

—by—
SAMUEL B. PETTEGILL
"The Gentleman from
Indiana"

As a policy, the Marshall Plan has been approved. The money has been authorized to be appropriated. But the actual appropriations are still to be made. That will be up to Congress each year the Plan is continued.

It may seem incredible to those who favored the Marshall Plan that important Britishers object to receiving the money.

The London, England, "Express" is the most widely read newspaper in the world. It says:

"The belief must be reiterated that the loan (the previous loan of \$3,750,000,000) did nothing but injury to Britain and the Empire, and the Marshall Plan will have the same effect."

Last January, the same newspaper said: "It therefore becomes

the urgent and manifest duty of Britain—her duty to herself, her people and her future—to declare that the American proposals are utterly unacceptable. The British people are not prepared to sell their financial independence for the cigarettes, prunes and dried eggs of the Marshall Plan. Stand on your own two feet!"

We should recognize that there are Britishers who oppose Socialism and realize that the Marshall money helps to keep the socialistic Atlee government in power, just like subsidies from Washington to the boss of any political machine in America.

Britain exported only one million tons of coal last year. But in 1935 she exported thirty-five million tons. There was a day when Britain paid for her wheat with her coal. Britain is now stepping up her coal exports, but with the help of the slave labor of prisoners of war who should long ago have been sent to their homes under every rule of international law.

In England, "The Society of Individualists" is trying to stop the march of the Socialist politicians to the complete ownership of the industry of Britain. I quote from one of their bulletins entitled, "A Message to the Nation":

"We, of the business community, claim:

"That without our work mankind would still be in a state of primitive barbarism."

"That recent experience has proved the inability of governments to perform our functions and satisfy the economic needs of the people."

"That supplies of the means of life, whether from at home or from abroad, are steadily and rapidly diminishing, because governments are not subject to those economic forces which govern and control the work of individual enterprise."

"We claim the right to shoulder responsibility."

"We have worked for profit on the terms that we paid the losses, and have thus ensured to the whole of Society the maximum of economy."

"Our traditional freedom acted as a spur to effort. Controls shackled all endeavor. Considered in terms of the work and produce of millions of individuals, the difference between freedom and control is more than sufficient to balance our national deficit."

"We claim that the economic freedom upon which our national supremacy was founded, offers the only way out of our present distress."

"We recognize that a return to freedom and competition, must mean, for a time, hardship, confusion and inequalities. It is for the nation to choose between these temporary troubles and permanent destruction by political methods."

JUST BACK FROM ALASKA

"THE ANDERSON AMBASSADORS"
REV. JAMES AND GORDON ANDERSON

Just back from their second 15,000 mile missionary trip through Alaska during the past summer months, "The Anderson Ambassadors" present their new thrilling natural color films of "America's Scenic and Wild—Last Frontier." Tuesday, May 25th at 7:45 p. m., in the Calvary Baptist Church. These new films, filled with colorful scenic splendor and featuring outstanding experiences of the visiting lecturer and missionary, will include: Touring the Old Oregon Trail across the Rocky Mountains to the Northwest Coast; sailing along America's Northwest Coast into Alaska's deep blue fjords; flying into Alaska's rugged interior; a visit to remote Indian villages amidst towering totem pole forests; trekking through the fertile Matanuska Valley and over the snowcapped Alaska range; climbing the Great Worthington Glacier; blazing trails to film Alaska's wildlife and big game—bears in action catching king salmon in waterfalls; and spotting the wild moose.

The public is urged to attend this inspiring and educational missionary lecture.

A Message To The Nation

—by—
SAMUEL B. PETTENGILL
"The Gentleman from Indiana"

As a policy, the Marshall Plan has been approved. The money has been authorized to be appropriated. But the actual appropriations are still to be made. That will be up to Congress each year the Plan is continued.

It may seem incredible to those who favored the Marshall Plan that important Britishers object to receiving the money.

The London, England, "Express" is the most widely read newspaper in the world. It says:

"The belief must be reiterated that the loan (the previous loan of \$3,750,000,000) did nothing but injury to Britain and the Empire, and the Marshall Plan will have the same effect."

Last January, the same newspaper said: "It therefore becomes

the urgent and manifest duty of Britain—her duty to herself, her people and her future—to declare that the American proposals are utterly unacceptable. The British people are not prepared to sell their financial independence for the cigarettes, prunes and dried eggs of the Marshall Plan. Stand on your own two feet!"

We should recognize that there are Britishers who oppose Socialism and realize that the Marshall money helps to keep the socialist Attlee government in power, just like subsidies from Washington to the boss of any political machine in America.

Britain exported only one million tons of coal last year. But in 1935 she exported thirty-five million tons. There was a day when Britain paid for her wheat with her coal. Britain is now stepping up her coal exports, but with the help of the slave labor of prisoners of war who should long ago have been sent to their homes under every rule of international law.

In England, "The Society of Individualists" is trying to stop the march of the Socialist politicians to complete ownership of the industry of Britain. I quote from one of their bulletins, entitled, "A Message to the Nation":

"We, of the business community, claim:

"That without our work mankind would still be in a state of primitive barbarism."

"That recent experience has proved the inability of governments to perform our functions and satisfy the economic needs of the people."

"That supplies of the means of life, whether from at home or from abroad, are steadily and rapidly diminishing, because governments are not subject to those economic forces which govern and control the work of individual enterprise."

"We claim the right to shoulder responsibility."

"We have worked for profit on the terms that we paid the losses, and have thus ensured to the whole of Society the maximum of economy."

"Our traditional freedom acted as a spur to effort. Controls shackle all endeavor. Considered in terms of the work and produce of millions of individuals, the difference between freedom and control is more than sufficient to balance our national deficit."

"We claim that the economic freedom upon which our national supremacy was founded, offers the only way out of our present distress."

"We recognize that a return to freedom and competition, must mean, for a time, hardship, confusion and inequalities. It is for the nation to choose between these temporary troubles and permanent destruction by political methods."

Drawings, Specifications and other Contract Documents may be examined at the office of the Architect, H. C. Everett, 1221 Arch Street, Philadelphia, Pennsylvania, and F. W. Dodge Corporation, 1221 Arch Street, Philadelphia, Pennsylvania.

Copies of drawings and specifications may be obtained at the office of the Architect upon payment of required amount of "Plan Deposit" heretofore given, for each set. Any bidder, upon returning such set in good condition within fifteen days after the opening of proposals shall be refunded his payment. Any non-bidder upon returning such set will be refunded fifty per cent (50%) of his payment, otherwise full payment will be forfeited.

Each bidder must deposit with his proposal, a certified check or bid bond in the amounts as heretofore given.

Proposals must be sent in on regular forms prepared by the Architect in duplicate. Proposals shall be properly identified and in the hands of the School Superintendent at or before the time above mentioned.

No bidder may withdraw his proposal within ten (10) days after the actual date of the opening thereof.

The owner reserves the right to waive any informalities in, or to reject any or all proposals.

Newportville Residents Are Wed In Eddington Edifice

EDDINGTON, May 24 — A pretty wedding took place in Eddington Presbyterian Church on Saturday at three p. m. when Miss Naomi Lowrie, daughter of Mr. and Mrs. John J. Lowrie of Newportville, became the bride of Mr. Herman E. Becker, son of Mr. and Mrs. Herman E. Becker, Fergusonville. The Rev. Arthur Sargis, pastor of the church, performed the ceremony. Organ music was provided by Mrs. Earl Miller, Richboro, and she also accompanied the vocalist, Mrs. John Whitley, Philadelphia, who sang "Because," "I'll Walk Beside You Through the Years," and "The Lord's Prayer."

The bride, who was given in marriage by her father, was attended by her sister, Mrs. Jesse E. Headley, as matron of honor; the Misses Janice Dewees and Mabel Heath, Newportville, as bridesmaids; and Susan Perente, Maple Shade, as flower girl. Mr. John Becker, brother of the bridegroom, served as best man; and Messrs. Franklin Becker, brother of the bridegroom and Jesse Headley were ushers.

The bride was attired in a white satin gown with an off-the-shoulder illusion neckline, trimmed with draped satin and lace. The gown had long tapered sleeves edged with lace, and an old-fashioned bustle. A lace-trimmed petticoat showed through sections of the hemline which had "pick-up" effect. Her scalloped veil of English net was fastened to a lace bonnet trimmed with lilies-of-the-valley, and extended over the gown's flowing train. She carried a shower bouquet of white roses and white carnations, with a lavender orchid in the center.

The matron of honor and bridesmaids wore ice blue paper taffeta gowns which had off-the-shoulder illusion necklines and puffed sleeves. A peplum on the front of each gown was gathered into a large bow at the back. White eyelet ruffled petticoats showed at the bottom of their gowns. Their headpieces were picture hats of ice blue net. The flower girl's gown was of the same material as the other at-

tendants and of a similar style. Her headpiece was a sweetheart shaped bonnet of ice blue net. The bridesmaids and flower girl carried old-fashioned bouquets of pale pink carnations, and the matron of honor carried an old fashioned bouquet of rose-pink carnations.

A reception for the bridal party, relatives and friends was held at the home of the bride's parents following the ceremony. The newlyweds left for the Pocono Mountains the bride travelling in a white garb-dine suit with navy blue accessories. She wore a lavender orchid. The couple will reside in Philadelphia. Mrs. Becker presented her attendants with rhinestone bracelets. Mr. Becker's gifts to his attendants were wallets.

ST. LUKE'S WIDENS LEAD IN CHURCH SOFTBALL LEAGUE

Scoring another pair of victories in their two outings during the past week, St. Luke's Lutheran not only stretched its winning streak to four in a row, but they widened their lead on first place in the Lower Bucks Church Softball League to one-and-one-half games.

The Lutherans, still undefeated in league competition, scored a brilliant 3-1 triumph over an apparently strong First Baptist club in the best game of the young season thus far. Later in the week, the minions of Allan Kohlers league leaders should the apple all over the ball orchard as they equalled their season's high scoring mark of 20 runs registered in their opening game against St. James, when they crushed a weak Church off Our Saviour combination, 26-0, behind the effective pitching of Wally Wurthman.

One of the leading contenders for the loop title and last year's champions, Bristol Presbyterian, demonstrated emphatically that they have high hopes of repeating their laurels won in 1947, by whipping both Bensalem and St. James by the lopsided scores of 14-1 and 13-1 respectively. Presbyterian set what is perhaps a new league mark of scoring in 13 consecutive innings when they tallied one or more runs in every frame but the opening stanza of their game with Bensalem in the two games. They combined some solid hitting with good pitching in each contest to annex their victories.

A big five run third featuring a bases full triple by Wilby Gerlach settled the issue in the Bensalem game, while successive home runs by Charlie Fisher and Johnny Jones sparked another five-run third inning against St. James to seal that contest. Barnhart, who pitched against Bensalem, turned in a five-hit job, and struck out nine opposing batters, including the side in the 7th. Jones, who hurled against St. James, allowed only six hits, and struck out eight. Bensalem scored its lone run off Barnhart in the fourth on hits by Redwitz and R. Bates mixed with a walk to Myers. St. James tallied its solo-marker off Jones in the fifth on Dick Vandegrift's double and a single by Batly.

Calvary Baptist, one of the other leading contenders for the 1948 title, ran into some unexpected trouble from both Hulmeville and Bensalem and were rather rudely jolted. They dropped a 7-5 decision to Bensalem and were fortunate to come out with a 7-7 draw with Hulmeville, and as a result dropped into a third place tie with Bensalem and St. James, each of whom have 500 won-lost record.

led by Howie Bates, Charlie and Billy Vanzant, and Silcox, each of whom had three hits. Bensalem smashed out 17 safe blows against two Calvary pitchers to chalk up their second triumph of the campaign. Redwitz' base-clearing double in the first inning got Bensalem away to a four-run lead and they were never headed thereafter despite Calvary's late four run rally in the sixth. Calvary got off to an early lead of 6-1 in their tilt with Hulmeville and seemed headed for an easy victory. But Hulmeville's pitcher, Mullens, settled down and hurled good ball the rest of the way while his mates rallied behind him to score four runs in fourth and tied it up with two more in the 7th before the game was halted because of darkness.

St. James Episcopal, showing surprise strength, rose up and smote Bristol Methodist, 13-10, in a wild affair that saw the lead change

hands no less than six times before the ultimate winners finally sewed up the contest with a four-run rally in the 7th. Goheen, who had a perfect night at the plate with 3-for-3, to lead his team to victory, highlighted the game with a two-run homer in the fourth inning.

Hulmeville and First Baptist also engaged in a slugfest which eventually wound up in a 13-1 tie. The Bristol Methodist-Church of Our Saviour game was postponed because of wet grounds.

GOODWILL NINE WINS EASILY OVER DEMOCRAT CLUB

Everything the Democrat Club baseball team did yesterday turned out wrong as it went down to a one-sided 14-5 defeat. The league pace-setting Goodwill Hose contingent was the victor, it being the hose-men's fifth straight triumph. The game was played on Leedom's field.

Goodwill had 10 hits in the tilt but several of these were of the "fluke" variety, ball dropping for base hits that should have been caught with ease by outfielders and infielders and many mis-judged flies dropping between players.

The fire-eaters took advantage of all the Democrat mistakes and compiled their big margin of victory.

"Bill" McGerr tossed the firemen to the win and allowed the Democrats eight scattered hits. McGerr fanned 12 batters and did not allow the losers a safe hit until the fourth when "Sid" Pursell walloped a clean double to centerfield. The Goodwill hurler was wild and gave up four walks and hit a batter.

The thrill of the game occurred in the ninth inning when "Chickie" Field, 59-year-old coach of the Democrat Club, batted as a pinchhitter and rammed a clean hit over second base.

Rohm & Haas served dramatic notice last week with a double win by the Lab and Plexiglass outfits which placed both teams on top of the Industrial League standings in the second week of the 1948 campaign. Manhattan Soap also sent up storm warnings to the rest of the League as it trounced the improving Leedom club, 11-6, in a free-hitting opening game.

Manhattan, 1947 League Champion, was never in serious trouble throughout Tuesday's opener at Hunter-Wilson field. Although out at 9 to 7, the soapmakers hit their stride in the very first inning when some clever pull-hitting, fancy baserunning, and poor Leedom ball-handling were combined to enable them to pull away to an early four run lead, adding two more with similar tactics in the second. Leedom replied strongly with two second-inning runs on Downap's homer which scored Leighton, and in the third drove to within one run of tying the score with a four hit barrage which broke through the Manhattan dam for three runs. The rally proved to be a Custer's last stand, however, as Manhattan returned in the same inning to roll up the game with a three hit extra dividend attack which was good for five runs. Leighton homered in the sixth to salvage hitting honors for the Leedom squad.

The strong Rohm & Haas Lab team racked up their second win on Wednesday at the Rohm & Haas Maple Beach field when they found some defensive flaws in Fleetwing

armor, and followed through to an unhurried 3-3 triumph. The Experimenters proved to be pretty fair at putting two and two together, getting that number of tallies in all but the second and fourth innings. Fischer starred afield for the R&H outfit, handling seven chances faultlessly, and Holgate's three RBIs on a double and single also helped no end. Fleetwing's consolation honors were won by Sottilli, who belted a triple and single.

Hunter-Wilson found the winning range, 5-4, in their opener with Fleetwings a week ago, but five runs on Wednesday were just not good enough as the R. & H. Plexiglass sharpshooters raised the batting sights and bagged a 6-5 victory at Hunter-Wilson field. The outcome was settled in the second inning when the Plexiglass surge carried for four runs in a drive which was climaxed by Hunter's deck clearing triple. Hunter-Wilson threatened repeatedly thereafter, outlasting Plexiglass 11-9, but it was no go as the smoothly operating R. & H. infield spiked the rallies with three fast double plays. Ennis' homer in the fifth gave the hitting honors to the losers.

ST. LUKE'S WIDENS LEAD IN CHURCH SOFTBALL LEAGUE

Scoring another pair of victories in their two outings during the past week, St. Luke's Lutheran not only stretched its winning streak to four in a row, but they widened their lead on first place in the Lower Bucks Church Softball League to one-and-one-half games.

The Lutherans, still undefeated in league competition, scored a brilliant 3-1 triumph over an apparently strong First Baptist club in the best game of the young season thus far. Later in the week, the minions of Allan Kohlers league leaders should the apple all over the ball orchard as they equalled their season's high scoring mark of 20 runs registered in their opening game against St. James, when they crushed a weak Church off Our Saviour combination, 20-0, behind the effective pitching of Wally Wurthman.

One of the leading contenders for the loop title and last year's champions, Bristol Presbyterian, demonstrated emphatically that they have high hopes of repeating their laurels won in 1947, by whipping both Bensalem and St. James by the lopsided scores of 14-1 and 13-1 respectively. Presbyterian set what is perhaps a new league mark of scoring in 13 consecutive innings when they tallied one or more runs in every frame but the opening stanza of their game with Bensalem in the two games. They combined some solid hitting with good pitching in each contest to annex their victories.

A big five run third featuring a bases full triple by Wilby Gerlach settled the issue in the Bensalem game, while successive home runs by Charlie Fisher and Johnny Jones sparked another five-run third inning against St. James to seal that contest. Barnhart, who pitched against Bensalem, turned in a five-hit job, and struck out nine opposing batters, including the side in the 7th. Jones, who hurled against St. James, allowed only six hits, and struck out eight. Bensalem scored its lone run off Barnhart in the fourth on hits by Redwitz and R. Bates mixed with a walk to Myers. St. James tallied its solo-marker off Jones in the fifth on Dick Vandegrift's double and a single by Batty.

Calvary Baptist, one of the other leading contenders for the 1948 title, ran into some unexpected trouble from both Hulmeville and Bensalem and were rather rudely jolted. They dropped a 7-5 decision to Bensalem and were fortunate to come out with a 7-7 draw with Hulmeville, and as a result dropped into a third place tie with Bensalem and St. James, each of whom have 500 won-lost record.

Led by Howie Bates, Charlie and Billy Vanzant, and Silcox, each of whom had three hits, Bensalem smashed out 17 safe blows against two Calvary pitchers to chalk up their second triumph of the campaign. Redwitz' base-clearing double in the first inning got Bensalem away to a four-run lead and they were never headed thereafter despite Calvary's late four run rally in the sixth. Calvary got off to an early lead of 6-1 in their tilt with Hulmeville and seemed headed for an easy victory. But Hulmeville's pitcher, Mullens, settled down and hurled good ball the rest of the way while his mates rallied behind him to score four runs in fourth and tied it up with two more in the 7th before the game was halted because of darkness.

St. James Episcopal, showing surprise strength, rose up and smote Bristol Methodist, 13-10, in a wild affair that saw the lead change

hands no less than six times before the ultimate winners finally sewed up the contest with a four-run rally in the 7th. Goheen, who had a perfect night at the plate with 3-for-3, to lead his team to victory, highlighted the game with a two-run homer in the fourth inning.

Hulmeville and First Baptist also engaged in a slugfest match that eventually wound up in a 13-1 tie. The Bristol Methodist-Church of Our Saviour game was postponed because of wet grounds.

GOODWILL NINE WINS EASILY OVER DEMOCRAT CLUB

Everything the Democrat Club baseball team did yesterday turned out wrong as it went down to a one-sided 14-5 defeat. The league pace-setting Goodwill Hose contingent was the victor, it being the hose-men's fifth straight triumph. The game was played on Leedom's field. Goodwill had 10 hits in the tilt but several of these were of the "fluke" variety, ball dropping for base hits that should have been caught with ease by outfielders and infielders and many mis-judged flies dropping between players.

The fire-eaters took advantage of all the Democrat mistakes and compiled their big margin of victory.

"Bill" McGerr tossed the firemen to the win and allowed the Democrats eight scattered hits. McGerr fanned 12 batters and did not allow the losers a safe hit until the fourth when "Sid" Pursell walloped a clean double to centerfield. The Goodwill hurler was wild and gave up four walks and hit a batter.

The thrill of the game occurred in the ninth inning when "Chickie" Field, 50-year-old coach of the Democrat Club, batted as a pinchhitter and rammed a clean hit over second base.

ROHM & HAAS TOPS SOFTBALL LEAGUE DURING THIS WEEK

Rohm & Haas served dramatic notice last week with a double win by the Lab and Plexiglass outfits which placed both teams on top of the Industrial League standings in the second week of the 1948 campaign. Manhattan Soap also sent up storm warnings to the rest of the League as it trounced the improving Leedom club, 11-6, in a free-hitting opening game.

Manhattan, 1947 League Champion, was never in serious trouble throughout Tuesday's opener at Hunter-Wilson field. Although out-hit 9 to 7, the Soapmakers hit their stride in the very first inning when some clever pull-hitting, fancy baserunning, and poor Leedom ball-handling were combined to enable them to pull away to an early four run lead, adding two more with similar tactics in the second. Leedom replied strongly with two second-inning runs on Downsap's homer which scored Leighton, and in the third drove to within one run of tying the score with a four hit barrage which broke through the Manhattan dam for three runs. The rally proved to be a Custer's last stand, however, as Manhattan returned in the same inning to roll up the game with a three hit extra dividend attack which was good for five runs. Leighton homered in the sixth to salvage hitting honors for the Leedom squad.

The strong Rohm & Haas Lab team racked up their second win on Wednesday at the Rohm & Haas Maple Beach field when they found some defensive flaws in Fleetwing

armor, and followed through to an unhurried 8-3 triumph. The Experimenters proved to be pretty fair at putting two and two together, getting that number of tallies in all but the second and fourth innings. Fischer started afire for the R&H outfit, handling seven chances faultlessly, and Holgate's three RBI's on a double and single also helped no end. Fleetwing's consolation honors were won by Sottilli, who belted a triple and single.

Hunter-Wilson found the winning range, 5-1, in their opener with Fleetwings a week ago, but five runs on Wednesday were just not good enough as the R. & H. Plexiglass sharpshooters raised the batting sights and bagged a 6-5 victory at Hunter-Wilson field. The outcome was settled in the second inning when the Plexiglass surge carried for four runs in a drive which was climaxed by Hunter's deck clearing triple. Hunter-Wilson threatened repeatedly thereafter, outthitting Plexiglass 11-9, but it was no go as the smoothly operating R. & H. infield spiked the rallies with three fast double plays. Ennis' homer in the fifth gave the hitting honors to the losers.
